

Attending a Committee Meeting

- Visitors infected with COVID-19, who are exhibiting COVID-19 symptoms or who are in quarantine may not enter House spaces and should reschedule their visit for a different time.
- All committee meetings will be live-streamed on <https://thefloridachannel.org/>.
- Persons who wish to provide testimony may access electronic appearance records at www.myfloridahouse.gov for those meetings where public testimony is solicited up to one hour before the meeting starts. After that time, they may fill out an appearance record at the meeting.
- Members of the public who cannot attend a committee meeting in person but would like to offer comments on legislation will have the option to email their written testimony to the committee members directly through the electronic appearance record at www.myfloridahouse.gov.
- Seating in the audience will be available on a first-come, first-served basis.
- Visitors should exit immediately after the conclusion of each committee meeting to allow the room to be sanitized and prepared for the next meeting.
- Medical grade HEPA filters will run during all committee meetings, and hand sanitizers will be available in committee rooms and other House spaces.
